

**Martin J. (Mike) Pasqualetti, Ph.D.**  
Biographical Sketch

Dr. Pasqualetti is a Professor in the School of Geographical Sciences, and an associate member of the National Wind Coordinating Collaborative, headquartered in Washington, D.C. He is co-editor of the book *Wind Power in View: Energy Landscapes in a Crowded World*, and has published several papers on wind power, including: “Wind Power: Obstacles and Opportunities”, *Environment*. 46(7): 23-38; “History of Wind Energy” in the *Encyclopedia of Energy*; “Morality, Space, and the Power of Wind-Energy Landscapes”, *The Geographical Review* 90(3):381-394; and “Wind Energy Landscapes: Society and Technology in the California Desert”, *Society and Natural Resources*, 14(8):689-699.

Dr. Pasqualetti is Associate Editor of *Environmental Sciences: Journal of Integrative Environmental Research*, and serves on the Editorial Boards of the *International Journal of Sustainable Energy Technologies* and *Land Use Policy*. He was twice appointed by the Governor of Arizona to chair the Arizona Solar Energy Advisory Council, a position he held between 2002 and 2006. He serves as a member of the Board of Directors of the Arizona Solar Center.

Dr. Pasqualetti has received a “Lifetime Achievement Award” from the Renewable Energy Task Force (Arizona), and was voted “Environmental Educator of the Year” by the Arizona chapter of the Association of Energy Engineers.

Dr. Pasqualetti has advised the U.S. Department of Energy, the U.S. Office of Technology Assessment, the Southwest Center for Environmental Research and Policy, the Natural Resources Defense Council, the Center for the American West, and Resources for the Future.

Dr. Pasqualetti is a member of the graduate faculty on Global Technology and Development at ASU Polytechnic, and an affiliated faculty member in the Global Institute of Sustainability. He holds the following degrees:

- B.A. University of California, Berkeley
- M.A. Louisiana State University
- Ph.D. University of California, Riverside
